

Diehl Chemical Inc.

“Your Independent Petrochemical Distributor”

Business Development Overview

DCI FACTS

- Diehl Chemical, Inc. (DCI) is an Independent Petrochemical Distribution company founded in 1987 by Rick and Beth Diehl
 - Headquarters: Houston, TX
 - Standard Industrial Codes (SIC): 5169 / 5161
 - North American Industry Classification Systems (NAICS): 424690
 - DUNS#: 175656305
 - Cage Code: 3FD68
 - U.S. Socioeconomic Status: SDB / WOB
 - Parent company of DCI Services and Consulting (DCI S&C)
 - Portal Web Address: www.dci-sc.com
- Experienced, flexible, and agile management team with unparalleled customer service
- Reputable company with demonstrated quality performance at competitive prices
- Successfully proven on-time delivery of chemicals via many delivery methods
- Diversified customer base serving many different industries
- Financially strong and poised for growth opportunities

DCI Products

- DCI will always strive to be your preferred chemical supplier due to competitive pricing, excellent service, good stewardship, and integrity that we offer to the marketplace
- We offer customer packaging, blending, and assistance with off-spec product sales and difficult to locate products
- Some of the products we distribute (not inclusive):

Top 10 List

Ethylene Glycol	Caustic Soda 50%
Triethylene Glycol	Sulfuric Acid
Diethanolamine	Formaldehyde
Monoethanolamine	Phosphoric Acid 75%
Propylene Glycol	Phenol
Toluene	Xylene
Methyl Ethyl Ketone	

DCI Products

- **A**

- Acetic Acid
- Anti-Foam
- Antifreeze
- Aromatic Solvents
- Ascorbic Acid
- Ammonium Nitrate
- Acetic Anhydride
- Acids
- Alcohols
- Algaecides
- Alkanols
- Alum
- Aluminum Chloride Solution
- Aluminum Stearate
- Aluminum Sulfate
- Amines
- Ammonia, Anhydrous
- Ammonia, Aqua
- Ammonium Bicarbonate
- Ammonium Bifluoride
- Ammonium Carbonate
- Amyl Acetate
- Ammonium Chloride
- Ammonium Hydroxide
- Ammonium Persulfate
- Ammonium Sulfate
- Ammonium Thiosulfate

- **B**

- Benzyl Alcohol
- Benzyl Chloride
- Borax
- Boric Acid

- **C**

- Calcium Carbonate
- Calcium Chloride
- Calcium Hypochlorite
- Calcium Phosphates
- Calcium Stearate
- C.P. Acids
- Capryl Alcohol
- Castor Oil
- Caustic Potash
- Caustic Soda
- Cresylic Acid
- Carbon, Activated
- Chlorinated Solvents
- Chloroform
- Chromic Acid
- Citric Acid
- Copper Carbonate
- Copper Cyanide
- Copper Sulfate
- Copperas
- Cyclohexylamine

DCI Products

- **D**
 - Detergents
 - Diacetone Alcohol
 - Diammonium Phosphate
 - Dibutyl Phthalate
 - Diethylethanolamine
 - Diethanolamine
 - Diethylene Glycol
 - Diethylenetriamine
 - Diocyl Phthalate
 - Dipotassium Phosphate
 - Dipropylene Glycol
 - Disodium Phosphate
- **E**
 - EDTA
 - EE Acetate
 - Epsom Salt
 - Ethyl Alcohol
 - Ethylenediamine
 - Ethylene Dichloride
 - Ethylene Glycol
- **F**
 - Ferric Chloride
 - Ferrous Sulfate
 - Fluorocarbons
 - Food Grade Chemical
 - Formaldehyde
 - Formic Acid
 - Fumaric Acid
- **G**
 - Gluconic Acid
 - Glycerine
 - Glycol Ethers
 - Glycolic Acid
 - Glycols
- **H**
 - Heptane
 - Hexane
 - Hydrazine
 - Hydrochloric Acid
 - Hydrofluoric Acid
 - Hydrogen Peroxide

DCI Products

- S

- Salt
- Semi Conductor Chemicals
- Silicones
- Soda Ash
- Sodium Acetate
- Sodium Acid Pyrophosphate
- Sodium Benzoate
- Sodium Bicarbonate
- Sodium Bichromate
- Sodium Bifluoride
- Sodium Bisulfate
- Sodium Bisulfite
- Sodium Carbonate
- Sodium Chlorite
- Sodium Chromate
- Sodium Citrate
- Sodium Cyanide
- Sodium Fluoride
- Sodium Formate
- Sodium Gluconate
- Sodium Hexametaphosphate

Sodium Hydrosulfite
Sodium Hydroxide
Sodium Hypochlorite
Sodium Hypophosphite
Sodium Hyposulfite
Sodium Lauryl Sulfate
Sodium Metasilicate
Sodium Nitrate
Sodium Nitrite
Sodium Persulfate
Sodium Phosphate
Sodium Sequicarbonate
Sodium Silicate
Sodium Silicofluoride
Sodium Sulfate
Sodium Sulfide
Sodium Sulfite
Sodium Thiosulfate
Sodium Tripolyphosphate
Solvents
Sorbitol

Stannous Fluoborate
Stearic Acid
Stoddard Solvent
Styrene
Sulfamic Acid
Sulfonates
Sulfur
Sulfuric Acid
Swimming Pool Chemical

- T

Tartaric Acid
Tetraethylene Glycol
Tetrahydrofuran
Tetrapotassium Pyrophosphate
Tetrasodium Pyrophosphate
Toluene
Tributyl Phosphate
Tricalcium Phosphate
Trichloroethylene
Trisodium phosphate

Trichlorobenzene
Trichloroethane 1,1,1
Triethanolamine
Triethylene Glycol
Tripropylene Glycol
Tripotassium Phosphate

DCI Products

- U
 - Urea
- V
 - V, M & P Napthas
- W
 - White Oils
- X
 - Xylene
- Z
 - Zinc Chloride
 - Zinc Cyanide
 - Zinc Nitrate
 - Zinc Oxide
 - Zinc Stearate
 - Zinc Sulfate

****DCI has been in business for over 20 years providing chemical solutions.***

****Our management team has combined experience over 60 years meeting the needs of our customers 24x7.***

****We would like the opportunity to be your preferred supplier and trusted partner.***
